HALADINAR offers special bonus tokens in its Pre-ICO and Private Sales

Singapore: The HALADINAR (HDN) Pre-ICO campaign started on 1 Sep 2018 and will end on 31 October 2018 at an offer price of USD 0.10 per HDN token. The private sale of HDN tokens at USD 0.06 per token concluded on 31 August 2018.

HALADINAR offers special bonus tokens to early buyers during the Private Sale and Pre-ICO sale campaigns as follows:

PRIVATE SALE buyers will receive an airdrop of 80% bonus HDN tokens into their registered account based on the total quantity of HDN tokens purchased at USD 0.06 per token.

PRE-ICO buyers will receive an airdrop of 50% bonus HDN tokens into their registered account based on the total quantity of HDN tokens purchased at USD 0.10 per token.

To be eligible for this airdrop of bonus HDN tokens, buyers must be registered as HALADINAR members on <https://token.haladinar.io> and make full payment in USD, BTC or ETH to HLD Technology Pte Ltd by the end of the Pre-ICO sale campaign on 31 October 2018. The airdrop of bonus HDN tokens will take place after the closure of the Pre-ICO campaign.

HALADINAR is a global platform and online decentralized marketplace designed to serve both the Muslim and non-Muslim communities throughout in the world. Goods and services in the HALADINAR Marketplace are Halal. Through blockchain technology, manufacturers, merchants, suppliers, traders, buyers, sellers and consumers are brought together on HALADINAR, a unifying and inclusive marketplace.
