## **HALADINAR Public Initial Coin Offering Sale will go live from 1 November 2018 to 8 November 2018**

**Singapore:** HLD Technology Pte Ltd, headquarters in Singapore, has launched its Public Initial Coin Offering(ICO) on 1 November 2018 and will close its ICO on 8 November 2018, GMT-8. A total of 250 million HDN tokens allocated for Private, Pre-ICO and Public ICO Sale phases will now be sold at USD 0.20 per HDN token. Early participants will enjoy an extra 40% HDN bonus tokens on the first day of 1 November 2018. The bonus percentage of 40% will reduce by 5% per day up to the closure date of ICO.

Payment in Bitcoin (BTC), Ether (ETH) or USD (US Dollars) for your purchase is available via our portal at <https://token.haladinar.io> once you login as a member.

We are also pleased to announce that we have two cryptocurrency exchanges approved for HDN trade.

1. **Crex24.com** with HDN-BTC and HDN-ETH pair.

Register at <https://crex24.com>

2. **Digifinex.com** with HDN-DFT pair.

Register at [https://www.digifinex.com/deploy\\_tokens/kvnyquip](https://www.digifinex.com/deploy_tokens/kvnyquip)

Using the same portal, <https://token.haladinar.io>, you will have a new menu option to withdraw your HDN tokens to your own wallet. The first withdrawal of HDN tokens will be for 10 HDN tokens to make sure you receive the HDN tokens before you execute subsequent withdrawal to your same wallet address.

The HDN token issuance to all participants will be carried out progressively from 9 Nov 2018 for about 2-3 weeks. Please verify your ETH whitelist address to make sure that it is correct as any loss of fund to a wrong whitelist ETH address is non-recoverable.

We thank you for your participation of HDN tokens sales and we look forward to your continuing support of Haladinar.

**HALADINAR** is a global platform and online decentralized marketplace designed to serve both the Muslim and non-Muslim communities anywhere in the world. Goods and services in the HALADINAR Marketplace are Halal, Thoyyiban and Mubarakan. Through blockchain technology, manufacturers, merchants, suppliers, traders, buyers, sellers and consumers are brought together on HALADINAR, a unifying and inclusive marketplace.
